Face Brick Home in Stunning Complex

This beautiful face-brick home consists of an open-plan lounge, leading onto a stunning ultra-modern kitchen. Gas hob and under-counter electric oven.

Walk through the double doors from the patio into a tranquil lounge, neutral colored walls for peace and serenity.

The 2 bedrooms and a study are on the ground floor.

The main bedroom has a main ensuite, and there is another bathroom with a bath.

Upstairs, there is a loft room which would be ideal as an office for the young executive, or a great games room.

There are private gardens at both the rear and front of the house. What more could you ask for?

This home is made for a single executive looking for peace, quiet, and relaxation, or a young couple looking for their 1st home together.

An automated double garage and a covered carport also.
